DONATIONS TO THE CLUB

As many of you may know - we received two sets of stones from the USCA that have been an outstanding addition to the club. But they, of course, were not free. So it is time to start raising money to pay off those stones within the next five years.

Also, we are going to be raising money to purchase brand new hacks for the club. The current hacks were built by our club and are starting to experience wear and tear so we will be working towards replacing them with new, professional hacks.

So now is your chance to help maintain the club's current equipment supply as well as help it continue to grow. If you are able to make a donation to the club right now - no amount is too small - every little bit helps tremendously.

Also keep your eyes out for fundraising events coming up in the near future - raffles, "Sponsor-A-Rock" program, etc. Thank you so much!

Yes, I would like to make a donation to the Hollywood Curling Club now.
